Fairies at the bottom of my garden

Coloring sheet included, below

There are fairies at the bottom of our garden!
It's not so very, very far away.
You pass the gardener's shed and you just keep straight ahead...
I do so hope they've really come to stay!
There's a little wood with moss in it and beetles... and a little stream that quietly runs through.
You wouldn't think they'd dare to come merrymaking there, but they do! Yes, they do!

There are fairies at the bottom of our garden.
They often have a dance on summer nights.
The butterflies and bees make a lovely little breeze, and the rabbits stand about and hold the lights.
Did you know that they could sit upon the moonbeams?
And catch a little star to make a fan?
And dance away up there in the middle of the air...
Well they can! Yes, they can.

Oh, those fairies at the bottom of our garden, you cannot think how beautiful they are!
They all stand up and sing when the fairy Queen and King
Come lightly floating down upon their car.
Oh, the King is very proud and very handsome,
And the Queen... now can you guess who that might be?
She's a little girl all day, but at night she steals away!
Well it's me! Yes, it's me!
